Kit Number	Coordinates (X,Y)	Plus Code
Kit 1	-----	-----
Kit 2	-----	-----
-----	-----	-----
-----	-----	-----

(Attach additional pages for installation coordinates/Plus Code if more kits are required.)

2. SERVICE DETAILS

MIC1, as an authorized reseller of Starlink services, provides satellite internet services in Lebanon.

Starlink Kit:

Kit unit price: \$550 (One-time fee).

Quantity: _____

Selected Plan:

Plan prices exclude the device kit cost, which is charged separately.

Select the applicable plans and specify the number of subscriptions required for each.

Plan	Quantity	Monthly Data	Billing	Unit Price (USD)
☐	-----	1 TB	Annual (upfront)	\$3,588
☐	-----	500 GB	Annual (upfront)	\$2,100

Additional Plan:

Once the plan's data allowance is exhausted, additional data can be purchased in blocks of 500GB at \$175 per block.

3. PRICING AND PAYMENT TERMS

- All prices are in USD and are exclusive of applicable taxes.
- Annual plans require upfront payment for 12 months.
- Pricing excludes installation and cabling.
- The additional 500GB is valid until the end of the current billing cycle of selected plan.
- Billing cycle is fixed on the 1st day of each month. Initial activation can take place at any time during the month. For activations before or after the billing cycle start, the data allowance is prorated based on the activation date, while the monthly fee remains unchanged.

4. MINIMUM COMMITMENT

The service is subject to a minimum commitment period of (twelve) 12 months.

5. TERM AND TERMINATION

The selected data bundle renews monthly, with unused data expires at the end of each month. The agreement renews for successive 12-month terms unless the customer provides 30 days' written notice of cancellation. Renewal confirmation and upfront payment for the next 12-month term must be received at least 30 days before renewal.

6. DISCLAIMER

Service performance may vary depending on location and environmental conditions. Service availability may be restricted outside supported areas. Relocating the Starlink kit without prior authorization may result in service suspension. Any request to change the service location must be submitted in writing and is subject to prior approval by MIC1.

The cable supplied with the Starlink kit is specifically designed and rated for use with the equipment. Any modification, extension, replacement, or use of third-party or non-approved cables is strictly at the customer's own risk and may affect service quality, equipment performance, or water resistance. Alfa shall not be liable for any damage, malfunction, loss, or service degradation arising from such use, and any resulting damage may void the applicable warranty. Customers requiring additional cable length must use only Starlink-approved cables.

7. GOVERNING LAW AND JURISDICTION

This form shall be governed by and construed in accordance with Lebanese law. The competent courts of Beirut, Lebanon, shall have exclusive jurisdiction over any dispute arising out of or in connection with this form.
